

MO-67305C

Insulating stripping tool for LV cables

Series: MO-67305C / KIT-MO-67305C

Application:

- Insulating stripping tool for live working at low voltage.

Features:

- Maximum operating voltage: 1 000 V AC - 1 500 V DC.
- Insulating orange composite material.
- With round blades for circular and longitudinal cutting of the external cable sheath.
