

MG-100-S

Clamp stick (shot gun stick) 2,00 m

Series: MG-10.S

Network Application: MV-LV

Application:

- Used to hold, install, remove, screw, and unscrew all systems comprising a ring (connector, cover, etc.).
- Working method: distance method (MV)
- Hook system at the tip of the stick fitted with square drive.

Features:

- Hook stick adaptor ref. **CI-5-K**, allows to set all adaptable tools with a universal end-fitting, thus providing this stick with the same use as an universal stick.
- Made of IEC 60855 orange reinforced synthetic tube (Ø 32 mm) and operating rod.
- Stick head fitted with insulating cover.
- End-fitting and mechanism in light alloy and bronze.

Description
